MARUTHI KONJETI

FRONT END WEB DEVELOPER

Vijayawada,India | +91 6302475499 | marurohi@gmail.com

PROFILE SUMMARY

I am K.Maruthi, currently pursuing B.Tech 3rd year in Internet Of Things. A self-taught front-end web developer. My journey into the world of Web Development started with my enthusiasm for technology. I started my journey with python and surfed through many fields to find my niche in web development. I am currently learning back-end development and aspiring to become a Full-Stack web developer in the long term. I would love to learn Artificial Intelligence, Machine Learning, and Data Science
